DESCRIPTION

2020 Ford Fusion Titanium HEV

Our environmentally smart 2020 Ford Fusion Hybrid Titanium displayed in stunning Agate Black is ready for your next trip! Powered by a 2.0 Litre 4 Cylinder combined with a Hybrid Electric Motor generating a combined 188hp while connected to an electronic CVT. Regenerating power with ease in this Front Wheel Drive as the brakes actually make a charge for the lithium batteries helping you see approximately 5.5L/100km in the city with a ride that is comfortable. Our Titanium is designed to be noticed with a sculpted design and illustrates its style cred with alloy wheels, sunroof, LED lighting, a keypad entry, automatic headlights, and rear spoiler. Boasting upscale materials and meticulous attention to detail, the Titanium interior appeals to every sense with a wealth of amenities including Intelligent Access with remote start, the low-profile rotary gear shift dial, heated and cooled le...
